### HIGHLIGHTS

WE want to extend to you this invitation to come and be part of the 16<sup>th</sup> annual Single Wing Symposium. This year we have worked hard to get some of the best speakers in the country to come and share their knowledge of the offense that we love. We will also have the most speakers ever speak at a single wing clinic. We will also be adding 4 new members to the Hall of fame. Come get that last little *missing piece* to help your program win the championship. We hope to see you there.
